

## Instructions for Use, Maintenance, and Safety of Glass Ashtrays

In Accordance with Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023

---

### 1. Usage

1. **Purpose:** Glass ashtrays are intended for holding ash from cigarettes and cigars. They are not intended for use as containers for hot objects other than cigarette ash.
2. **How to Use:**
  - Wash the ashtray in warm water with mild detergent before first use.
  - Use the ashtray as intended, avoiding placing other hot objects that could damage the glass.
3. **Warnings:**
  - Do not use ashtrays that are damaged or cracked.
  - Avoid strong impacts that may cause the ashtray to crack or break.

### 2. Maintenance

1. **Cleaning:**
  - Hand wash the ashtrays in warm water with mild detergent.
  - They can be washed in a dishwasher, but it is recommended to use the delicate cycle to prolong their lifespan.
2. **Storage:**
  - Store the ashtrays in a dry place, preferably standing up to prevent damage.
  - Avoid storing the ashtrays in areas exposed to large temperature fluctuations.

### 3. Safety

1. **General Safety Rules:**
  - Users should regularly check the condition of the ashtrays to ensure they are not damaged.
  - Avoid contact of the ashtrays with open flames or hot surfaces other than cigarettes, which could cause them to crack.
2. **In Case of Damage:**

- Immediately discontinue the use of ashtrays that are damaged, cracked, or have sharp edges.
- Properly secure and dispose of broken glass in glass recycling bins to prevent injuries.

#### **4. Compliance with Regulation (EU) 2023/988**

The ashtrays are designed and manufactured in accordance with the requirements of Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023 on general product safety, ensuring the highest level of user safety. The product also meets traceability requirements, ensuring the ability to track the origin of each ashtray.
