Instructions for Use, Maintenance, and Safety of Glass Mugs and Goblets

In Accordance with Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023

---

1. Usage

1. **Purpose**: Glass mugs and goblets are intended for consuming beverages, both cold and likewarm. They are not intended for hot beverages or use in extreme temperatures.
2. **How to Use**:
    o Wash the mugs and goblets in warm water with mild detergent before first use.
    o Avoid sudden temperature changes, such as pouring hot liquid into a cold mug or goblet, to prevent cracking.
3. **Warnings**:
    o Do not use mugs and goblets that are damaged or cracked.
    o Avoid strong impacts that may cause the mug or goblet to crack or break.

2. Maintenance

1. **Cleaning**:
    o Hand wash the mugs and goblets in warm water with mild detergent.
    o They can be washed in a dishwasher, but it is recommended to use the delicate cycle to prolong their lifespan.
2. **Storage**:
    o Store the mugs and goblets in a dry place, preferably standing up to prevent damage.
    o Avoid storing the mugs and goblets in areas exposed to large temperature fluctuations.

3. Safety

1. **General Safety Rules**:
    o Users should regularly check the condition of the mugs and goblets to ensure they are not damaged.

- o Avoid contact of the mugs and goblets with open flames or hot surfaces that could cause them to crack.

2. **In Case of Damage**:
   - o Immediately discontinue the use of mugs and goblets that are damaged, cracked, or have sharp edges.
   - o Properly secure and dispose of broken glass in glass recycling bins to prevent injuries.

4. Compliance with Regulation (EU) 2023/988

The mugs and goblets are designed and manufactured in accordance with the requirements of Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023 on general product safety, ensuring the highest level of user safety. The product also meets traceability requirements, ensuring the ability to track the origin of each mug and goblet.
